

Dear parents,

We are delighted that you are using the waiting-room library of the Wittlich public library. It is designed to help you and your child spend the waiting time together constructively and enjoyably.

Your child will love it if you take the time to look at books together and discuss them. In the process you will be doing a great deal to improve your child's vocabulary and powers of expression. By reading to your child in a playful way you can also improve his or her concentration and desire to learn.

In the public library you will find an abundance of other media:

- A large children's section
- Novels
- Non-fiction books for adults covering a wide variety of topics
- Foreign-language books
- Magazines
- Family games
- Language courses
- CDs
- DVDs
- Computer games

Registration and lending is free of charge for your child. Adults pay an annual fee of EUR 20 (concessions EUR 10)

We look forward to seeing you and your child at the public library soon!
